Jess Original 2017

*Special requirements on request. All sizes are approximates. Due to design and selected comfort level the initiation of folds is inevitable.*

## Global balance collection

A clean environment is important to us. To prevent waste of leather as much as possible we make various products from our remaining leather: The Global Balance collection. This collection consists of chairs, bar stools and cushions.

In addition, we make placemats and coasters from the remaining leather.

The materials steel, wood, foam and caps used for this collection are circular.
